“ We only had the privilege of knowing Mr. Igou for the past year and a half at the Pavilion. My father, Rev. Thomas H. Turner (with United Pentecostal Church, holds a service every Monday. He was such a joy to be in service with. His last service, the power was so strong, he told my father, "Bro. Turner, I feel like getting out of this wheel chair and running!" I believe he is running and shouting on the streets of Glory!!! Our prayers are with the family.

“ Mr. Mac was by bus driver all through my school years. He was a great bus driver. We never worried about bullies and such, cause he wouldn't tolerate it. He knew each child personally and greeted us everyday with a smile and usually a smart remark to put a smile on our face. He definitely touched my life and his children have been like part of my family. I am sorry for the loss and know that there are many many people that will mourn beside you. See you on the other side Mac!!
