“ I will miss her so much. We were cousins but acted more like sisters. The things we did together was unexplainable . Every minute we had together was as so wonderful. There are no words to describe how much we loved each other.

Auntie Barbara was always a part of my life. My dad was her big brother. She was always a loving and down to earth auntie to us all. I like to think she's reunited with Bobbi Kay now. Rest in peace Auntie B. I love you.
