“ *My husband, Noah Hart, considered the DeLoaches family, as they lived next door. Their children grew up together and were great neighbors. Noah thought the world of the family. He was great friends with Benny and Billy. Although Noah passed away close to 38 years ago I remember his tales of growing up with the DeLoach boys. I knew them through Noah, but feel like I knew Benny, too. My condolences to all the family.*

“ I am so sorry to learn that Benny has passed away. We became friends many years ago and I learned what a good Christian man he was. He was one of the best sheriffs of Appling County and of all the surrounding counties. He is missed from his office and from his presence here on earth. His family can always revel in the kind of gentleman he was. Appling County has lost one of it's Finest. God bless all his family and friends.

It was an honor serving under him from 2005-2016 as a communications officer for ASO & ill never forget giving out his retiring radio traffic and all the memories made throughout the years. I'll treasure them always

“ *Mr. Benny was a great man who loved the Lord, his family, and his neighbors. I will never forget how he helped me and my family after the passing of my father, David Hart. He got on my daddys tractor with me and taught me how to bale hay. I cried the whole time, but that memory is priceless to me. Years later at church I walked up to Mr. Benny and thanked him for doing that and for teaching me so much more that day than just how to bale hay. His exact words your daddy was my brother and I loved him! Mr. Benny was a very special man to so many people. He is missed greatly! My thoughts and prayers go out to the entire family!*
