“ I just found out yesterday, it was so sad to hear. I worked with Butch for a few years up until last year. To say he was a comedian was an understatement. I could count on him every Wednesday to have a new joke or two. Hes probably cracking everyone up in Heaven now. Glad I got to know you, Rest In Peace.

“ My deepest sympathy to Butch's family and dear wife Janet. Butch was my neighbor and friend. He was always willing to help me with anything electrical in my home. I will always remember him revving his Mustang's engine when driving by, taking my late husband for a ride, and his overall joyful nature whenever I spoke with him. May God's blessing of peace and comfort be upon you all during this time.

“ I met Butch through my Mom Charlene and my step dad Bill Bull about 10-15 years ago. A true comedian he was. He would always tease me because I am a Miami Dolphins fan. I am very grateful I got to know Butch because of the personality he had!!! RIP my good friend!!! My thoughts and prayers are with the family!!!

“ Butch was one of the funniest people I have ever met. The fun was getting g him started with the jokes one after another and then Janet would get upset trying to calm him down. We spent so many good times going to the races and hanging out I didnt get enough time with you Butch. You were a great entertainer. You missed your calling. Comedy was your greatest asset. Will miss you my friend.
