“ *Carole and I have been friends since the 2nd grade when she moved to Macon. She went to college in Arkansas, then followed that with extensive travel as a flight attendant for Braniff. She was an avid reader, a life-long animal lover and also a marvelous cook. Throughout her life challenges and difficult health issues she fought with tenacity and courage. I will remember her as beautiful, sweet and loving. We wish her Godspeed to find the lasting peace and love that she so deserved.*
