“ Carrie and I worked together; she was the house supervisor many a shift. She would always come check up with us, see how our shift was going and took time to chat. It meant a lot to us and we knew that she cared about us. We will miss her cheery presence!

“ I am still just in shock by all this!! The last time we sat together was at our monthly get together for our fish fry and I helped you with your term paper the day before you tested positive. If only I had known that would have been the last time I would see you, we sure would have done something more fun than homework! Lo!!! You will be missed my sparkly, sweet friend. The fish fries will never be the same!! Live free in heaven and every time I see a twinkling, sparkley star I will know it is you looking down on us!! I won't say goodbye, because I just can't, I will just say \see you again one day!" Love you bunches! ðŸŒŸ""ðŸŒŸ""ðŸŒŸ""
