“ You are the breeder of my two Pekingese. Loved being your friend for over 11 years and sharing life events and pup pictures with you. You hold a special place in my heart! Hug all pups up there until I get there. “I love you dearly!” 🐾❤️🐾

Oh my goodness, I visited the Lakeview a couple times but I was unaware that she was residing there. We would have extended conversations however I haven't seen her for quite awhile. When I went by her house, I saw that no one lived there anymore 😞. She referred to my mother-in-law (Ola Mae Smith) as My Ola Mae therefore calling me her Sister. I truly hate that I didn't know where she was 😞 Praying for her family.

I considered Cathy a good friend. She was the highlight of the day when she and Johnny would come by Stan's Pharmacy. She will be missed!
