Daniel F. Dwyer, a beloved father, a proud United States Navy Veteran, and a passionate builder and racer of R.C. Cars, passed away on January 6, 2024, at his residence. Born on May 23, 1976, Daniel lived a life filled with love, adventure, and dedication. Daniel's fondness for R.C. Cars began at an early age and grew into a lifelong passion. He poured his heart and soul into building these miniature marvels, meticulously crafting each detail with precision and care. His skill and enthusiasm made him a respected figure in the racing community. Daniel's talent on the track was matched only by his warm spirit off it. As a father, Daniel found his proudest accomplishment. His love for his three daughters, Charlotte Daniels, Rose Daniels of Surrency, and Julia Dwyer of Japan knew no bounds. He treasured every moment spent with them - from bedtime stories to family vacations - cherishing the unique bond they shared. Daniel's devotion to his daughters was unwavering and will forever be etched in their hearts. Daniel's military service in the United States Navy spoke volumes about his commitment to serving others and protecting his country. It was during this time that he learned invaluable lessons about loyalty, honor, and sacrifice. These traits were evident in every aspect of Daniel's life as he selflessly put others' needs before his own. In addition to being an exceptional father and veteran, Daniel was also an incredible friend and brother. He had a special place in the hearts of three sisters: Katie Dwyer Scott (Rebecca) of Hinesville, Kristine Jackson (Joshua) of Riceboro, and Keri Wiltshire of Ludowici. Their bond was forged through shared experiences,

laughter, tears, and unwavering support. Daniel cherished his nieces and nephews as if they were his own children. His impact on their lives will undoubtedly be a source of inspiration and strength for years to come. Their memories of Uncle Daniel will serve as a reminder of the love and joy he brought into their lives. While we mourn the loss of Daniel, we take solace in the knowledge that his vivacity and zest for life will be forever remembered. Dwyer touched the hearts of all who crossed his path. He was a shining example of what it means to live life fully and love deeply. “ Dan you took me under your wing. Showed me the ways of Japan back when we first met in 2001. You were a guy that opened up to people one layer at a time ! Like an onion! But if a person was lucky enough to get to the last layer they unmasked a brilliant human ! You had a special kind of sense of humor that took a special person to appreciate! When you took me under your guidance and for that reason now I can stand alone on my own in Japan. I will never forget all memories we made ,all the mischief we encountered! All the touching moments of support you shared when I went to bad times! You were you no matter and that should inspire others to do so ! Love hard ! I am really going to miss you!

“ This news breaks my heart. Dan and I attended highschool together at the Deer Island Alternative school. It was a small group of teenagers hell bent on hurrying up and finishing school. We all came from different walks of life. We were all there for our own personal reasons. Many of us would probably have been unlikely friends, if not for this tiny school in the middle of nowhere. Instead, we all became good friends. Laughing daily. Playing pool or volleyball for PE. We united as a group. It was special. Dan and I have messaged over the years. Briefly, but just enough to say hi old friend, happy birthday, happy holidays. I'm grateful to have had him as a friend. I will truly miss our random hellos . My condolences to his family. You'll be in my thoughts.
