“ Funny, sweet, sincere and smart, Dave was more like a brother to me than my own siblings. When Dave lived with us in the early 90s in Savannah, Ga, he made our world a much brighter place. He was one of those people that when you met him, you always wanted to have him in your life. He missed his Dad so much and loved his family dearly. He's gone far too soon. May his friends and family find peace knowing he is in a better place no longer in pain. Rest in peace, Dave. Love you forever.

“ I met David in Vidalia, Ga in September 2009, We became friends almost immediately even though we traveled each weekend to spend time with each other. We became roommates in Sept 2010. We both loved going to the movies and eating out. He had such a great sense of humor and had many friends. His Family was very special to him and they treated me like family also, especially Mrs Jeanette. He treated my Daughters like his own and they are sad that he left this earth way to soon. To me He was the Brother that I never had and He was my Best Friend. He moved back to Baxley in 2013 to be near his Father due to his illness. So we then started visiting each other, traveling to the beach and the Mountains. Even though we were three hours away from each other, We continued to talk to each other everyday. I really loved him and will miss talking to him every day. May God bless him and his family.
