“ *"Tis not ours to ask why, for the LORD above has HIS plan. David Medders never met a stranger that he couldn't witness to, talk to, make a new friend, or just listen to what you had to say!!! Oh, the questions he has answered for me!!! His ability to raise Kayla into the best young lady ever and give her the back ground to be such a loving and caring person. To Ann, oh there are no words to explain the morals you taught David. You are a bit of a hero, and Lisa, the losses you have managed to help us all find prayers work wonders. You and David make a great brother, sister team. Bless all of you and know, David did not go home alone, a piece of us went with him when GOD called him home. GOD has him forever in HIS keeping, we have him forever in our thoughts and prayers and memories.*
