“ David was a fine friend and a wonderful person. It was my pleasure to work with him at TT/Lucent. We also played golf together and won the High Hope Classic several years. His attention to details and personality made him a great employee. Thoughts and prayers to his family and loved ones. I know he will be missed deeply.

“ *One of my favorite uncles...Ive always looked forward to his visits from Atlanta for as long as I can remember. His children, Johnny and Lisa, have always been so very special to me! Uncle David and I loved to tease each other about creation and science. He always told me I was beautiful and how much he loved me. I miss him already. This is heartbreaking, but I know my papa welcomed him with open arms. I love you, Uncle David*

“ I'll miss David. Will always remember him as a strong man. A strong body, a strong mind and a strong faith. It was a blessing to me to renew our friendship these past few years since he moved back to Baxley. I cherish the memories of the days of our youth when we played all sports together. David was a tremendous athlete in all sports. Praying for you Terry. And love you very much.

“ One of my closest and dearest personal friends has passed. It's as though a light in my life has been extinguished. David Vaughn was one of the finest people I have ever known. He and I were completely open with each other and knew everything that was going on in each other's lives. I met David in Atlanta shortly after joining Southern Bell in 1969. David and I hit it off right away due to the fact that he grew up in Baxley and was a star athlete for Appling county. David did a tour with the US Army serving in Germany during the Viet Nam War era prior to joining the telephone company. Over the years, he and I talked frequently (at least once a month) on the phone. He loved the Georgia Bulldogs and we would talk for hours at the time about sports. David was a scratch golfer and one of the finest pool players in Atlanta. He was a natural athlete. David was a supremely dignified man and I enjoyed talking and spending time with him immensely. I will miss him intensely.
