“ I am deeply saddened to have learned of Debra's passing days afterward. Debra's and my life have always been entwined in more ways than one. Debra is my friend, my sister, and my kindred spirit. I wish I could have been there to celebrate her life in person, but I have a myriad of memories to keep her alive in my heart. May God comfort the family of Debra during this time of loss; God has gained yet another kind and giving soul in His Kingdom. I love you all and you will always remain in my thoughts and prayers.
