“ Dennis I remember our middle school hallway talks and outside after lunch talks!! We had the best time in middle school!!! I know One thing about you is that you will light up a room when its dual and could make everyone laugh when they are feeling down. I dont see why these people could do such a harmful thing to you and your family!!! But right now Im trying to remember the good times we had together, I can honestly say I never remember a time when we was mad at each other and the church trip with all the Fam. When we went to that place in Douglas...that was a BLAST!!! My baxley days were the best with you I miss them so much and wish I could go back to them just one more time!!! I know you was a great father and fianc and them babies didnt deserve to lose there daddy like this. But We will all see you one day Dennis! You will always be remembered and never forgotten!! I love you Dennis and I will NEVER forget YOU OR THE FAM!!!
