“ *It's always with such great sorrow that we tell a fellow classmate and friend goodbye when they have finished their journey. Dennis is one of those. Our prayers for you, his family, is that God will wrap you in His arms and give you peace, comfort and strength for the journey each of you still have to take. May He surround you with friends and family to help you to grieve his passing, share memories of his time with you and comfort and promise of one day your reunion with Dennis. A white rose will be placed on our class wreath that we have at our class reunions in His honor and memory. Jimmy and Lynn Stipe*

“ *We have lost a dear friend. He was always so kind and thoughtful always to our family. He was always so considerate of others and their needs. You would often find him doing things to help someone else. We appreciate the times we got to hunt and fish with Mr. Dennis. He loved the many animals that God created. We will always cherish every memory of this sweet gentleman. Sincerely we at a loss love always the Jim Ammons' Family*

“ *My dear friend, you've gone before me by a little while. You took such delight in the blessings of this creation below. I know you are far more in awe of the things Jesus has now shared with you, things no one in this life can even imagine are now yours. Your departure is our loss and we bear our grief with heavy hearts. But for you we need have no concerns, only joy you've received your reward. Your presence there makes our future journey sweeter my friend and my brother in Christ!*
