“ To Sherrie and Family I will tell you that all of you are in our Prayers. Allen was a True Friend, He would always call or come by to see me and check on me with my health problems, you could ask Him about his problems and He would share a little but would turn the conversation back to my problems. He was a Loving Soul and was more concerned about Others. His few minute phone calls sometimes turned into an extended conversation and I Praise the Lord for knowing Him and being able to call him My Friend. Sherrie probably Remembers this... You are a Special Woman and Allen Loved You More than you Know. I Remember 1 time Allen came by the house to pick up some parts and we talked and was there an hour or so while his diesel truck was idling and all of a sudden the door opened... and Sherrie Spoke up and said Allen.. Dubs probably got other things he needs to do besides just talking to you, surprised me cause I didn't know that she was with Him. We kinda cut things short after that. Needless to say Allen Loved to Talk also... and I do too! Love Dub
