“ Ellis I miss you like crazy. I miss the time when you would come to my house on Thornton Rd and eat dinner and set and drink coffee with me and times when I didn't have a ride to the store you were there for me. And I miss the time when I was scared at my house because I was all alone one night. And you came and got me and took me to your trailer and I laid down on your rebel blanket and fell asleep and you tucked me in to keep me warm. You was my best friend I ever had. I pray that you are smiling down on me and know that you will never be forgotten. Wait for me in heaven my friend. Because we will meet again soon as our Lord comes back and he takes me home. R. I. P. My friend. In Jesus name I pray. Amen.
