“ He was such a caring person and I enjoyed working with Stoney while employed with Appling County BOC.

“ He was such a good man that loved his daughter and grandchildren. He was always cutting up and cracking jokes. He treated everyone he saw like his own family. Sad and upset to hear of his passing, but I know that now he is no longer suffering but instead rejoicing with the Lord. May the Lord be with all of the family during this time and give them the peace and comfort they need.
