“ My dear friends I am so sorry about Mrs Francis but I know that she is in a much greater place than we are. I know that she is enjoying being with all her love ones in Heaven. My mom used to say she was ready to go that she had as many or more up there as she did down here. We know that Mrs Francis isn't hurting anymore. I love you all.

“ To the Lewis Family, I'm so sorry for your loss. I can remember Mrs. Frances every since I was little in the store, when ever you came in, no matter how many times you went in the store, she always ask "Can I help you". My mom use to keep Ted when he was little, so that's how long it's been. Memories are precious, hold them in your heart, because they are the one's that will make you smile.
