“ Paul and Lori, please forgive me for just now responding. I only heard about Gary's passing about 3 days ago and didn't know until today when a classmate sent me the link for his obituary that he was your brother. I believe that Gary would have been a graduate of the class of 1979. I would like to also send condolences on behalf of our class. If I can do anything for the family, please call on me. With love, hugs and prayers to you both~~Karen

“ Paul and Lori, my sincere sympathies to you both. I remember Gary from before his accident and was saddened to learn of his passing. If it isn't to be a private, family-only service at Red Oak, I would like to attend. Please contact me about this if you don't mind. Again, my deepest condolences to you.
