“ *Uncle Cecil was one of a kind! He will be truly missed by so many people. To know him is to love him. I have so many fond memories of him as a kid. I would wait by the road for him to come in from work in the evenings. It didn't matter if he had a bad day or if he was completely exhausted, he always stopped and pick me up and took me home with him. He was a great man and had so much compassion.* ”
