“ *Tami, Jeff & Julie...my heart breaks for you three, and all of the family. So many memories. Georgia was nothing less than HERSELF! As a kid I was always amused by her funny antics, and as an adult I so admired her confident spirit! She could decorate the most elegant dinner table and some how pull off the same elegance on a basketball court or softball field! Whether a participant or a spectator she was always the best mentor and cheerleader for her teammates, and us kiddos! She was my mom\'s first friend when my parents moved to Baxley, and they shared a special friendship for many years. These are the times I wish I was closer. I\'m there in spirit...and know that Roy greeter her with his beautiful, beautiful smile! You all are on my mind and in my heart. Thank you for sharing her with all of us. Please find comfort knowing she is at peace with your daddy. My sincere condolences during this difficult time. Love you all...Jackie*

“ I am so sorry to hear this. It has been a long time since I have been in contact with Georgia, but I remember her as a great neighbor to my parents, Nathan and Edna Tomberlin. She was so generous to let their grandchildren (my children) use her pool when they visited. She was a joy to be around, always sharing a laugh or encouraging laughter. She was a giving, caring individual always ready to lend a hand wherever it was needed. We all loved her and her absence does not change that. My heart goes out to her family. We grieve hardest for those who gave us so much to love. With great sympathy,

“ I am so sorry to hear of Georgia's passing. I have known her for years and have always enjoyed her straight-forward way of speaking and her great sense of humor. Georgia loved to tell a story and was really good at doing so. My prayers go out to her family and close friends. May the Lord bless you and keep you in His arms.

“ Roy and Georgia were among the first to reach and become friends with my family when we came to Appling County in 1956. Georgia was one of a kind..we enjoyed being friends at FBC..I enjoyed playing bridge with her over the years. I have a vivid image of Georgia doing her exercise walking along the edge of the road with her gun hanging on her belt! I think she was a force to be dealt with and I certainly admired her! Love and prayers for all of youâ,

“ I am so sorry for the loss of this sweet lady. I have fond memories of bowling with her for several years and still chuckle when I remember one of her many stories. I loved hearing her tell about meeting Mr. Roy and their lives as newlyweds. She loved him and her family dearly. My prayers are with the family!
