“ *My dad was a loving person. If he met someone for the first time, by the time they parted ways they were good friends. I miss him terribly and would trade anything for just one more day with him. I miss you dad. You were more than just a dad, you were my friend and mentor. I love you.*

“ *Henry was my sister's husband. He was an amazing man, devoted husband, father, and true southern gentleman. He will be sorely missed by his family and friends. He was as much my brother as my blood brothers. Heaven has gained an amazing soul.*
