“ Pam, Myra and Emily, I am so sorry to hear of your mom and grandmother's passing. She was a wonderful friend and mentor to me when I worked with her, and she taught me a lot. She was quite knowledgeable and had a unique way of imparting that knowledge to others. Myra and Emily, she adored you both and you were a joy to her. I pray for your peace and comfort as you live through being without her presence.

“ My condolences and love to Pam and the family. I want you all to know. Hilda was a jewel with a heart of gold. We often sit and talk together about our birthdays being so close. I have been residing in one of her rental properties since 2005. She was more like family, if she can help you she would.

She loved just talking with you about family. She will totally be missed and always loved.

RIP my Friend, your work here is done.
