“ I just recently heard about Jackie's death. My condolences go out to her family. Jackie was one of the wonderful people who worked with special ed. children. She was also related to my husband through Ms. Georgia Bowers Veal who married Mr. Wid Veal.

Jackie was a wonderful lady who loved her students. She was very encouraging to me as she had been my eldest son's teacher. I never felt any anonmosity from her, just purely love and caring for her student's as well as their families. It takes a very special person to work with children of special needs.

I pray her family feels blessed with the wonderful memories of her. She will be gtreately missed.

“ Sandra, my heart goes out to you and I wish I could be there to help celebrate the wonderful life of Jackie.
I want to share a poem with you that makes my own heart smile_ I pray this poem can bring you some comfort and solace too.
GOD with us: Emmanuel.

*"She's in the sun, the wind, and the rain,
She's in the air you breathe
With every breath you take.
She sings a song of hope and cheer,
There's no more pain, no more fear,
You'll see her in the clouds above,
hear her whispers of love,
You'll be together before long,
Until then, listen for her song."
