“ James was truly one of a kind. He had such a big heart about him. He was always willing to help me in anyway that I need. He had a hard life for sure. But let me say this, he might not have life the way YOU thought he should live, but that was not YOUR choice but doesn't mean he did know the Lord. Because me being his aunt I believe with all my heart some of the things he talked about if you took time to talk with her knew the Lord
