“ Pat,

I am so very sorry to hear about your fathers passing.

I want you to know that I will be praying for you and your family during this time.

I didn't know your dad , but I know he had to have been a great man! He certainly raised a good one!

You are a hard working and caring person! You are a good husband to my niece and a wonderful father to your children!

I have no doubt that you learned to be the best from the best.

I love you and you will be in my thoughts!
