“ *We were shocked to hear this sad news just yesterday. And, are so sorry for the loss of Mr. Michael and wished we had known so we could pay our respects. Your brother was a very loving and caring man who loved to attend church when he could. He enjoyed listening to the children sing and play their instruments, listening to Sis. Diane teach sunday school and getting a good word from Sis. Rilene or Bro. Darrell. The first sunday service that he actually walked in instead of riding in his chair he was smiling from ear to ear and we were all so happy for him. I for one know that his hugs and kisses were more precious than gold. We will surely miss him and will be praying for you and your family.*

“ I wish to express my deepest and sincerest condolences to the family. Words alone cannot ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he(GOD) will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you comfort in your loving memories and in His promise that soon we will never experience losing our love ones we will be able to see them again once they are resurrected John 5:28-29. May these scriptures bring comfort and calmness of heart to you during the difficult days ahead.
