“ Stephanie I know u and I was close in age along with Bethany. Your family seems like family to us although I have not seen u in a while. I will never forget stories that was told. One was at Bryce cottage with the water fountain and snake. Jerry will be miss. Love u all and wish peace in this time. Just focus on memories right now.

“ Lynn, I am so sorry for your loss of your brother. My siblings are precious to me, even more so after losing my mother. So I really feel for you at this time. I know that you are a strong woman and will be ok and will be comforted by your family but know that I and many others are praying for you. May God wrap you and your family in His arms and bless and keep you in this time and the days ahead.
