I have never forgotten when we were sitting in class one day and she told me her favorite Psalm was Psalms 34. It never fails that I think of her when I read that Psalm. She was so loved. Prayers for her family and friends.*

“ I am so blessed to have known Jessi and to have had her as a student in my Chemistry class at Shorter University. She was a bright and shining light for Jesus Christ and made a lasting impact on all those around her. She did a very special painting with my favorite Bible verse that hangs in my office and which I cherish each and every day. I pray for comfort for all the family, friends, and community that so greatly loved Jessi. Thank you, Lord, for allowing Jessi to be a part of all of our lives.
