“ *"I've seen fire and I've seen rain I've seen sunny days that I thought would never end; I've seen lonely times when I could not find a friend But I always know that I'd see you again. Won't you look upon us Jesus You've got to help us make a stand; You've got to see us through another day Our body's aching and our time is at hand And we won't make it any other way." James Taylor Fly free sweet Jessie; until I know we'll all see you again.*
