“ May God be with Joey and Debra's beautiful children as they see their daddy be joined with God and their mama. May God comfort you Danny (D.J.) as you bid your beloved brother....so long. It is only but a while when we too will have this same cup pass into our hands when God call us to join His heavenly hosts. I have nothing but fond and loving memories of Joey to comfort my heart when I think of him; he was like a brother to me. I love you all and our prayers surround you for God to embrace you in the shadow of His majestic wings. Until we meet again, my friend. "He healeth the broken in heart, and bindeth up their wounds. He telleth the number of the stars: he calleth them by their names" (Psalm 147:3-4).
