“ We will truly miss Brother Joseph and seeing him play on our music team. He truly loved his family and requested prayer for them many times. He especially loved bringing his grandchildren to church. He was also teaching our grandson how to play the guitar. He wanted to share his gift with others. Even tho he did not always feel like coming to service, he continued to be faithful. We pray that God will comfort the family in the days ahead. We love you all!

“ We love you, Joseph. You always made us lough. I remember the day you were born. You would bring M&Ms to Jared and Melissa when you visited us. After my daughter Melissa started teaching math, you would always tell me to tell Melissa not to forget to carry the one when adding. We will miss you dearly. You will always be in my heart.
