“ Judy, may you rest in the Comfort of Jesus's loving arms until we all meet again. To your children...Claudia, Donna and Donnie Jr, may you have a peace that Momma has gone before you to keep watch over you as well.

The energy of her presence will never leave as she will continue to surround all of you with comfort/ laughter and even tears as you remember those fond memories. Continue to move forward as you know she would want you to and know she is as ever presence in the Spirit as well. God Bless you all and know your Family in Florida is keeping you in our prayers. We love you.

“ *Mom you were the greatest. You were always there for us. We  
cherish every single memory we shared. This is truly the hardest  
most painful thing I have ever experienced. I can't bear the reality  
of not having you here with us. Everyone knows you me and Donna
