“ *Along with you girls (Dawn and Angel) , Kenny and the family was the first ones I met when I moved to the neighborhood. Good old times. Playing cards with Billy, Elton, Al . . . it saddens me that they all left us so early in life. My heart goes out to Wendy and the girls to lose the biggest part of their life.*

“ My prayers are with you all. I sit here and think of the man that I knew as a boy who used to be such a big part of my life when we were growing up. He was always such a good person. He will be greatly missed. I know that he is having a wonderful reunion with his daddy right now. I just can't believe that it happened so soon in his life. He was a good man and a good man to all who knew him. We will meet again one day...until then my friend.
