“ Sorry for your loss, Kerry and I were schoolmates. I always thought a lot of Kerry, down to earth, good hearted person. I remember him telling me about a truck he built way back that could pop wheelies! Cool! I look forward to seeing him again in God's kingdom one day.

“ Uncle Kerry sure did know how to grill and cook, I will always cherish those times we used to prep meals and cook for the 100s of hunting groups over the years at the farm and to me and him skinning my first deer together  
Fond memories that will live on to my lit ones and our next generation

“ My family lived next door to the Vaughns when Kerry and I were classmates in Jr. High and High School. We spent many hours together, playing on church basketball and softball teams and performing in band together at AJHS. He was a good friend, and while we followed different paths after high school I’m sorry to hear of his passing. I’ll be sending up prayers for his family and thanks for the great memories.

“ So sorry to hear the passing of Kerry. While we haven’t seen, or been in contact in a long time we were good friends in elementary and high school. I remember his humor and cutting up as we were growing up. I can still hear his mom saying ‘Kerry quit that’. His family and friends will be in my prayers.

“ Kerry was a fine gentleman and a very loyal customer over the years. We shared many lunches together and discussed business as well as shooting the bull with each other. He was always in a cheerful mood and had a great sense of humor. We will certainly miss him. Prayers for the family during this difficult time.
