“ God gave me one of of the best gifts I could have, when He blessed me, when he put her in my life as my friend. I will miss setting under carport talking in swing to her. She had a big heart and a wonderful soul, she was one of a kind. I would hope that i could be more like her, but she left big shoes for us to fill. My heart is broken in pieces , she will always have that special place in my heart. I will miss her and my love for her will be forever.
