“ *Dear Cousins, Aunt Lynette was my favorite aunt for all these years since I was a little girl. I am so sad that I will never talk with her again. There will never be another one like her. She once wrote Mama a letter when Hillary Clinton made that \$100,000 from a \$1,000 cattle investment. She said she and Mama could go in halves on such an investment if Mama would loan her the thousand dollars and said after she made the hundred thousand, she could return \$500 to Mama. Hahaha She was the best. All of you are in my thoughts. You have my deepest condolences. Tracy E. Polanowski*
