“ Margaret and I have been friends for so many years and I have always admired her for living her life as a strong christian woman. The last time I spoke with her she told me that she didn't think she would win her cancer battle this time. She has won her battle, just not here on earth. My heart goes out to her family for the pain and emptiness they will feel for some time to come. I pray Our Father gathers you all in His arms and comforts you as only He can. Love and blessings!!!

“ This is so so sad to hear. Miss Margaret became my friend when I was just a teenager. A very young one. I got to work with her in the office at the children's home in Baxley. I loved and admired her so much. She always brought a smile to my face and was very kind to me. I will keep her family in my prayers. Fly high Miss Margaret. God most definitely got an Angel when he got her.
