“ Mike, I can still see your beautiful eyes twinkling when we were talking and you would be telling me something that had you oh so excited !

*I will also enjoy remembering your non-stop energy, kindness, humor, and above all the many long talks we shared from Virginia/Baxley\_*

*You was the best confidant ever!*

*You have always loved soldiers/warriors; well my friend\_ that\'s what you are now\_ God\'s own soldier.*

*Ride back in with Jesus to gather the rest of His children; bring my daddy, brothers and son with you at the nearing Midnight Cry.*

*Until then I salute you and honor the memories in our own journey together as friends and brothers and sister\'s in Christ!*

*\Ye are of God*
