“ *I am so sorry to hear the news of Mony's passing. I was out-of-town this weekend and I was unable to attend the visitation or service. Please accept my sincere and heartfelt condolences. Mony was my classmate from our days at Fourth District through eighth grade at Appling County Junior High School. He could be a little direct at times, but he had a good heart.*

“ Lynn, please accept my deepest heartfelt sympathies for your loss. Monty framed my house; one of many in his short life. Monty was a great carpenter, a good man, and he loved you as much as you loved him. God has him now. Monty is at eternal peace. A peace hopefully we will all be ready for one day. I cannot even image loosing a child regardless of their age because age doesn't matter. I'm so sorry for your loss as a mother and the families loss. Know that I am thinking and praying for you all. R.i.P Monty Tomberlin.
