“ To all of Nettie's family and especially to Mary Alice, one of her sweet sisters. Jack and I graduated with Mary Alice and we have fond memories of Appling County High School. We also have more fond memories of Carl and Nettie when they lived near Harry and Doris McMillan, Jack's parents. They were really good friends and we had many fun fish fries at Carl and Nettie's house and also at Harry and Doris' house on the Altamaha River together! Those were such fun times that we will never forget. They were very special people and they will never be forgotten. Sending our love, comfort and peace to all of the family.
