“ Pat, I'm crying, reading this. I will never forget the wonderful memories our families shared at the Satilla River, having bonfires on the river sandbar, and "taking turns" cooking meals at each other's house. Bill & Omer so enjoyed fishing on the Satilla, and I'll never forget you & I "sunning" on the rooftop deck at the river house!

I extend my deepest sympathy to you and all the children (now grown, of course)! Although, Kipp was very young, he remembers those times and has often asked about you & Omer. Love you & would love to see you.

“ I remember as a kid living in Weatherly Park, playing football in Dr. McLean’s front yard with Mitch and Mike. After he got home from work he would sit in a chair and coach us on the fundamentals of football. I didn’t learn much but have always remembered him fondly because he took the time to be there for his 2 boys and 2 next door neighbor boys. You never realize the positive influence you can have on a kid for something you did 60 years ago. Thank you Dr. Omer McLean. Praying for Mrs. Pat and the Family.....Danny Causey
