“ *It's hard to understand why our loved ones are sometimes taken so suddenly from us, but the word of God assures us that "to be absent from the body is to be present with the Lord." Though we miss her dearly, I feel that my dear friend, Opaline, being the sweet, kind, thoughtful, person she was, is now in the presence of " Our Lord." May God in His infinite wisdom give you all the strength you need to bear this time of sorrow.*

“ *I am sorry to hear about the passing of Mrs. Opaline. She is such a wonderful person. She just has a caring sweet personality for everyone. She would always have something to say about her Lord and Savior and of course all of her family. She worked hard at whatever she does. It was my privilege to work with and under the supervision of someone who respected her elders and talked and taught values to others. To say she will be missed is an understatement. She often talked with me about bibles- Gideons, about how life goes on even after we had to leave work and go to a funeral- she did not deny that it was easy but we have to carry on and do the best we know how to do... she loved to fish and would often say we need to always be fishers of men/ladies whatever the case.. again it was my privilege to work with such a fine christian lady... with sincere sympathy Cathy Ammons*
