“ Mr. Ottis will be missed by many! I know that I will miss seeing your smiling face come into the doctor's office & I will miss us aggravating one another about you being my "boyfriend"! My heart hurts because you are gone, but I know you are in a better place! I love you Mr. Ottis!

“ It was a joyful experience knowing Pops. He always had a smile on his face and a extended hand for handshake to welcome you. He loved and enjoyed his little ministry of greeting you and welcoming you at the front doors of Friendship Christian Congregational Church. He would come off the porch and down the steps with that big ole smile and extended hand and say GOODMORNING! HOW ARE YA? He would hand you a church bulletin. He always made me and my girls feel welcomed. He will be missed by those of us who had the joy of knowing Pops. I know he will enjoy his new eternal home where his suffering and pain has ended and that new body. Revelations 21:4He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things have passed away.
