“ Dear Aunt Joyce and Family...Ive been thinking of Uncle Pat and all that comes to mind about him. We all start off with a Mom and Dad and siblings...he was outnumbered by 4 sisters! Then to realize you were married for 66 years with 4 children and all those "Grands and Greats"! We always knew how much he loved his family...how proud he was of you all...such a loving family. 😊❤️ My Mom told me many stories of their growing up years and I loved hearing them! Uncle Pat called me "Jaynie Bug" when I was little and that is what family called me for a long time! Mom had a little red cookbook that belonged to Grandmom when they were little. Uncle Pat decorated the inside pages with ink drawings and signed his name...made it all the more special! One of my favorite keepsakes I still have is a red and black lacquered container that looks like a doll that he brought back from Korea to my Mom! My grown son reminds me of him so much in that he never meets a stranger and loves to cook and grill and whip up that "Special Sauce"! I love to picture him right now with his parents and 3 of his sisters...all talking and laughing and happy to be together again! You will miss him...but those we love are ALWAYS with us. God bless and much love Aunt Joyce, Leslie, Sheila, Jeff and Kim...Jayne
