“ *I want to extend my sympathy and condolences to Brady, Lisa, Ronald and other family members of Peggy. Peggy was a beloved wife and mother. We worked together for only 4 years at the Florida Baptist Convention Church Music Department, but our friendship lasted through cards, letters and the occasional lunch even after I moved to the Tampa, FL area. She was a joy to know throughout all these many years. She is at peace with her Savior and we ask for blessings of comfort and peace for family and friends during these difficult days. She was loved by many and was a beautiful child of God. I am thankful for her presence in my life.*

“ Brady, Ronald, and Lisa I am so sorry for your loss. I know how hard it is no matter how long they have been sick and you think it would be a blessing if GOD would just take them on home. When it happens it is not easy. Just put your faith and hope in God's love and he will see you through the hard times. I love you. Vera
