“ *Im sorry for your loss. I lost contact with Raymond years ago since i left Baxley. We were very good friends in elementary school especially. He road the bus and i walked to school. I would stop at the store on the way to school and get Honey Buns and Raymond would bring me a Biscuit with sliced fried potatoes wrapped in wax paper his mother fixed and we would trade. Just one of my memories with Raymond. Thought of him often. May you as a family remember the great memories you shared together. David HutchesonWaycross Ga.*
