“ Please give Mama this rose from us when you meet her in heaven. You will always be in our hearts and minds. Along with all the special memories you shared with us over the years. This old world will be a much colder place without your presence but, your love and guidance will sustain us until we meet again on those happy golden shores.

“ Bonnie and I thought the world of Brother Mike. We will always remember Brother Mike and Miss Myrtle and the love they had for everyone. Oh and the memories we share, and he and Judy as they sang Canaan Land, how the Holy Spirit was felt as they sang. It had to bring a smile to God's face. That is the way we want to remember the great man Brother Mike Woodard.
