“ I met Mr Richard many years ago at Easons Bluff Fishing Shad Nets . At the Time I really Didn't have a clue as to what I was doing other than putting my net in the water . After a couple trips and Seeing Mr Richard each trip he would have a cooler full and I might have one or two . Mr Richard didn't really know me from Adam but took me under his wing and showed me the ropes of Drifting for shad . From some 30 years ago this year if I was close I would always go by the store to see him just to visit . As true to faith one act of kindness a friendship grew and he was a great friend . Ms. Pat im so sorry to hear about Mr Richard passing . God gained another good feller .and I will see him again in heaven .
