“ It was such a pleasure to meet Mr. Martin, thru his daughter Cheryl. She dropped everything to care for him always. I can tell it took a toll on her but, I couldn't be more proud of the caring soul she is. I love hearing their stories together, the trips they went on, the laughter and smiles when she talks about him. He was her best friend! I will look forward to hearing the stories for years to come. praying for your loss and your family. God gained a special angel to watch down on you all!â
